

MIET/EVENT/23-24/65

Date: 31.05.2024

NOTICE

We are pleased to announce an industrial visit scheduled for the first year, Section A and B students on June 3, 2024 & Section C and D students on June 4, 2024.

This visit aims to provide you with practical insights into the industrial operations relevant to your field of study.

Details of the Visit:

Day and Date: **Monday, June 3, 2024, Tuesday, June 4, 2024**

Time of Reporting: **09:30 AM.**

Place of visit: **Haier Appliances India Pvt Ltd.**

Faculty Coordinator Day_1: **Dr. Pradeep Kumar and Ms. Geeta Sharma**

Faculty Coordinator Day_2: **Mr. Amit Kumar Mourya, Ms. Garima Singh**

Note: All students must be present in proper college uniform along with ID card

INDUSTRIAL VISIT REPORT

2023-24

Company's Name	HAIER Appliances India Pvt. Ltd. Greater Noida.	
Date of Visit	3 rd June 2024 B. Tech 1 st Year Section A&B 4 th June 2024 B. Tech 1 st Year Section C&D	
Beneficiaries	B.Tech 1 ST Year (103students)	
Faculty Co-ordinator	Day 1: 3 rd June 2024	Dr. Pradeep kumar Ms. Geeta Sharma
	Day 2: 4 th June 2024	Ms. Garima Singh Mr. Amit Maurya
Objective	<ul style="list-style-type: none"> To establish a link between the theories taught in a classroom and actual practical concepts. To be aware of the working of industry in a practical way. To contribute to the holistic learning development of students. 	
Overview	<p>CRD - MIET organized an Industrial Visit for the students of Engineering Department, to HAIER- Greater noida for the students of B. Tech 1st Year on 3 & 4th JUNE 2024 with the aim to enhance practical knowledge in students and to demonstrate the working of industry. The visit was scheduled at 10:00 am on 3rd and 4th June 2024 and in total 103 students was benefitted by this event. The Company Representatives, Ms. Anshi & Ms. Archana from the HAIER welcomed all the students came for industrial visit. A briefing about the company was given by them and there after the students moved to the conference hall in which a virtual demonstration was played on screen highlighting the working of the company and thereafter the students moved to the production unit of company. Various knowledgeable inputs were shared to the students about the company and its working.</p> <p>After the virtual presentation, students were taken to the main manufacturing area where automatic machines and robotic arms were working with human supervision. The resource person explained each and every processing in a very well manner. The facility showcased a blend of traditional manufacturing techniques and modern automation, offering insights into efficient production methodologies. This visit provides a practical exposure to the manufacturing processes</p>

SUGGESTIONS FOR FUTUTRE VISITS:

- AC Bus
- From Next Time we want we want visit in our department AI
- No Suggestions
- Programming company
- Goa
- Keep 3-4 industrial visits per semester
- Learnt a lot from the visit.. Would suggest to further go more on the visit
- Try to do some practicals
- Kindly take us to some service based company which is our field
- Tour trip to manali
- Visit ac industry
- Try in advant Samsung
- Awesome
- Helpful
- Very impressive and learning visit
- Cisco
- Plz visit software company
- Everything is good but next times please maintain 2 buses atleast.
- The industrial visit experience is amazing
- Please visit software company
- Take Us some industrial tour related to Artificial Intelligence, so that we can learn something and get some innovation ideas
- Visits should be in IT company
- Tata
- Better if we could visit other different departments including tech teams rather than just the manufacturing procedures and advances so far.
- In future if visit again it will be a great opportunity to me i will enjoy it

ACTION TAKENREPORT:

- We will visit other different departments including tech teams.
- Software based companies will be visited.
- Next time atleast2 buses will be provided.
- Department will try to arrange more industrial visits for more practical exposer.
