REPORT

Report	
Academic Year	2023-2024
Name of Activity	A session on “Benefits of ICT in Teaching learning Process”
Date of Activity	04/04/2024
Resource Person	Dr.Amit Kumar Bhati,Associate Professor, Mangalmay Institute of Engineering & Technology, Greater Noida
Organized by	Cyber Club of Mangalmay Institute of Engineering and Technology, Greater Noida
SPOC	Ms. Jyoti Mahur (Faculty MIET)
Objective	<p>To facilitates communication between teachers and students with the help of digital tools, without need of physically present</p> <p>It promotes student flexibility and autonomy with the incorporation of digital alternatives such as online courses.</p> <p>Each student can learn at their own pace, optimising time and resources and flexibility provided by digitalisation and connectivity.</p>
Brief Report	<p>Cyber Club organized the session on “Benefits of ICT in teaching learning process” by initiative by IQAC, held on April 4, 2024, at Mangalmay Institute of Engineering and Technology.</p> <p>Continuous learning through ICT helps educators stay updated with the latest teaching methodologies and technologies.</p> <p>Session Overview:</p> <p>The first segment of the Session featured interactive session, aimed at imparting practical knowledge and skills to students and faculty members.</p> <p>The session commenced with an inaugural address by the Keynote Speaker Dr. Amit Kumar Bhati, Associate Professor, Mangalmay Institute of Engineering & Technology, Greater Noida, highlighted the “Benefits of ICT in teaching learning process” in today's digital age and setting the context for the day's proceedings.</p> <p>Keynote Speaker Dr. Amit Kumar Bhati discussed transformative potential of ICT in the teaching-learning process. By making education more engaging, accessible, personalized, and efficient, ICT paves the way for a more effective and inclusive educational system.</p> <p>However, addressing challenges like the digital divide and ensuring proper training for educators are crucial for the successful integration of ICT in education.He shared his valuable insights about the ICT</p>

Jyoti Mahur

tools such as interactive whiteboards, educational software, and online resources make learning more engaging and interactive.

He also discussed about Challenges and Solutions of ICT

Digital Divide

- **Challenge:** Ensuring all students have access to the necessary technology and internet connectivity.
- **Solution:** Forming partnerships with technology companies and implementing government initiatives to provide devices and affordable internet access to underserved communities.

Teacher Training

- **Challenge:** Equipping teachers with the skills to effectively use ICT in their teaching.
- **Solution:** Implementing comprehensive training programs and providing ongoing support and resources for teachers.

In the end of the session participants left with a deeper understanding of how ICT can be leveraged to improve educational outcomes and were motivated to implement these insights in their respective institutions.

Outcome

Enhanced Student Engagement and Improved Accessibility and Inclusivity

Increased the understanding about Personalized Learning with Real-time feedback on performance and progress.

Continuous Professional Development for Educators with access to online resources and training modules and increase engagement in online communities for sharing best practices.
