REPORT

Report	
Academic Year	2023-2024
Name of Activity	“One Day International Conference” on The interpretation of Engineering and Management (Exploring the latest Advancement & Development) ICTIEM (ETALD) - 2024
Date of Activity	11/ 05/ 2024
Resource Person	Prof. (Dr.) Ambuj Agarwal , Dean, Sharda University, Greater Noida Dr. M. A. Ansari, Head ,Dept. of Electrical Engg., School of Engg., Gautam Buddha University , Greater Noida
Organized by	Cyber Club of Mangalmai Institute of Engineering and Technology, Greater Noida
SPOC	Dr. Amit Kumar Bhati (Faculty MIET) Ms. Jyoti Mahur (Faculty MIET)
Beneficiary	170: 126 Students, 32 Faculty Members, and 12 from other Institution
Objective	To celebrate National Technology Day it aims to recognize and honor the significant contribution of scientists and engineers who have played a crucial role in the country's technological progress. To signify the importance of science and technology in nation-building.
Brief Report	<p>“One Day International Conference” on The interpretation of Engineering and Management (Exploring the latest Advancement & Development) ICTIEM (ETALD) – 2024 as National Technology Day</p> <p>Introduction:</p> <p>One Day “International Conference” held on May 11, 2024, at Mangalmai Institute of Engineering and Technology.</p> <p>National Technology Day presents an ideal opportunity to recognise the invaluable contributions of innovators, scientists, and engineers as catalysts for growth.</p> <p>The first segment of the Conference featured interactive sessions conducted by seasoned professionals, aimed at imparting practical knowledge and skills to students and faculty members.</p> <p>The session commenced with an inaugural address by the First Keynote Speaker Prof. (Dr.) Ambuj Agarwal , Dean, Sharda University, Greater Noida, highlighting the importance of National Technology Day in today's digital age and setting the context for the day's proceedings. The agenda for the session was comprehensive, encompassing interactive workshops, insightful talks by industry experts, panel discussions. He also gave his valuable experience about writing the research paper.</p>

J. Mahur

Engg., School of Engg., Gautam Buddha University, Greater Noida, as the Second keynote Speaker and discussed about recent and emerging trends in technology as well as Cyber Security. He shared his valuable insights about the research trends and the field of Machine Learning and Deep learning that was part of his research. He also motivated students and faculty members to indulge themselves in the field of research to make a mark in today's world and also extended his support to the students to come over with any query or questions and he will guide them for the same.

Moreover, the Conference provided a platform for students to showcase their projects, research initiatives, and innovative ideas from various Technical fields. Poster presentations, project demos, and lightning talks enabled students to share their work with a wider audience, receive feedback, and gain recognition for their contributions for the nation on the National Technology Day.

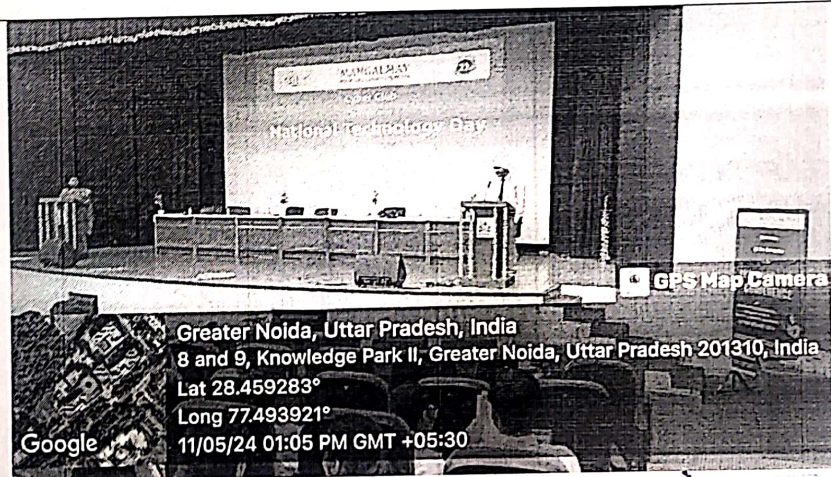

Outcome

On the celebration of Technology Day students learnt about the significance of technological advancements in shaping societies and economies as well as they motivated to contribute to the advancement of technology through ongoing learning, innovation and inquiry.

It shows to the Students how innovation can transform lives, making India a shining example each year on May 11.

Students participate not just a party; they recognize and celebrate the country's progress in technology.
