Swachhta Pakhwada

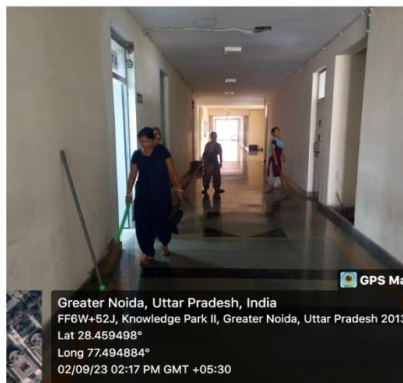

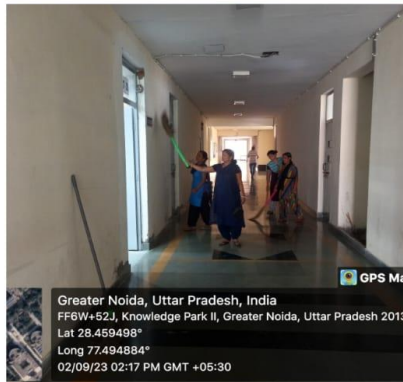

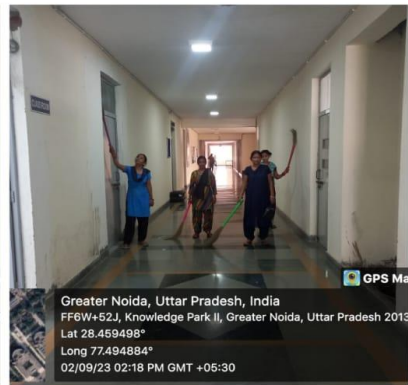

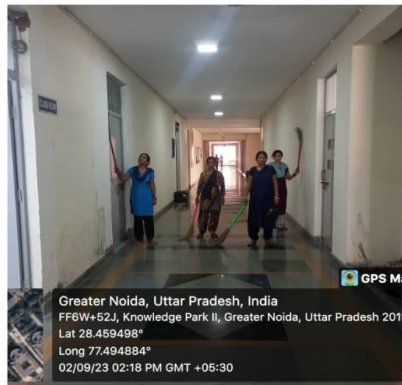

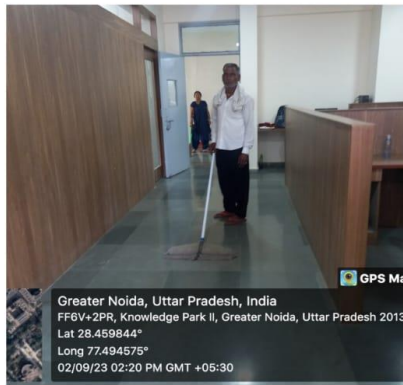

Academic Year	2023-2024
Name of Activity	Swachhta Pakhwada (1st to 15th September,2023)
Date of Activity	1-09-2023 – 15-09-2023
Organized by	Manglmay Institute of Engineering and Technology, Greater Noida
Event Coordinators	Mr. Dhananjay Singh, Mr. Prabhat Kumar
Objective	<p>Spread awareness on the issues and practices of cleanliness.</p> <p>spread awareness of and evoke sensitivity to virtues of sanitation and cleanliness.</p> <p>Promoting safe and appropriate hygiene practices in College and behaviour among children.</p> <p>Create awareness among communities towards sanitation and cleanliness.</p> <p>To bring about behavioural changes in the people towards sanitation and hygiene.</p> <p>Motivating the communities for adopting a proper sanitation model for better health and life.</p>
Brief Report	<p>With the same spirit, MIET conduct Awareness Drive on “Swachhta Pakhwada” from 1st September to 15th September.</p>
<p>Day 1 : MIET conduct Awareness program about “Hygiene & Sanitation” Hygiene refers to good practices that prevent disease and lead to good health, especially cleanliness, proper disposal of wastewater, and drinking water supply. Keeping in mind the above statements. Manglmay Institute of Engineering and Technology, Greater Noida organized an Awareness Programme on “Hygiene & Sanitation” held at college Campus. The faculty members and college students were present in this program. Coordinator took a session on the importance of hygiene practices and explained the way one can keep himself/ herself healthy and free from diseases.</p> <p>During the session, discussed the following points:</p> <ul style="list-style-type: none"> Personal Hygiene Cleaning of Surroundings Waste Management Healthy Diet <p>Good personal hygiene involves keeping all parts of the external body clean and healthy. It is important for maintaining both physical and mental health. In people with poor personal hygiene, the body provides an ideal environment for germs to grow, leaving it vulnerable to infection. One must develop a healthy routine that involves regular brushing of teeth, washing hands for 20 seconds, cleaning and trimming nails, and taking a proper bath every day. Endowed with this knowledge, people showcase their talent in the form of videos of speeches and animations. The</p>	

event saw enthusiastic participation from the students as creative and informative videos started pouring in.

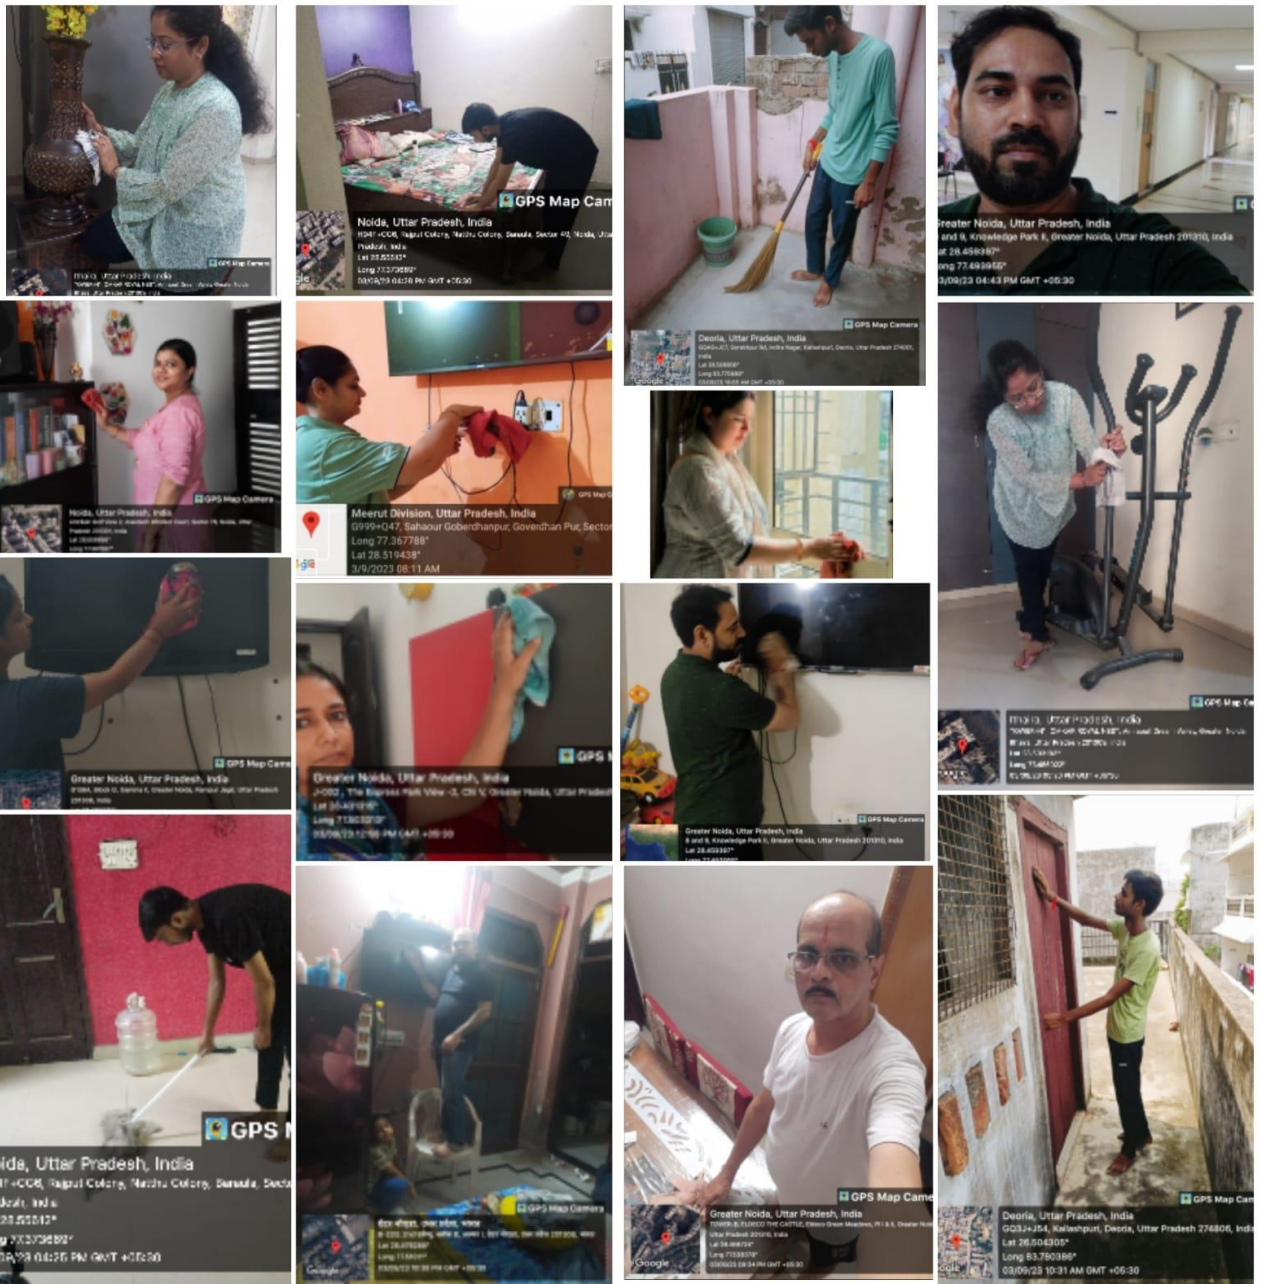

Day 2 : Campus cleanliness Drive

MIET conduct Awareness drive on “Campus cleanliness” in MIET campus. Clean environment is an indicator of progress of human being and with the motto of clean environment Government of India has initiated ‘Swaccha Bharat Abhiyan’. The MIET faculty & Students has taken this opportunity and initiated cleanliness drive in and outside the college campus. The activity was started from the college campus. During this activity volunteers have cleaned the approach road from Girls Hostel to College Entrance and chopped the unwanted bushes along road side. They also removed the grass and weeds besides the divider and picked up the all plastic garbage from both sides of road. The drive was concluded at main gate of our college. Volunteers & students have participated in this event.

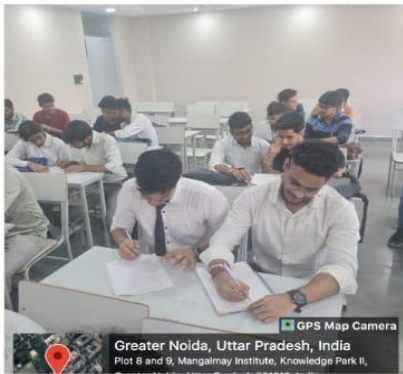

Day 3 : Swachhata Abhiyaan (Home Cleanliness)

MIET conduct Awareness drive on “Home cleanliness” 3rd day program on 3-09-2023. Clean environment is an indicator of progress of human being and with the motto of clean environment Government of India has initiated ‘Swaccha Bharat Abhiyan’. The MIET faculty & Students has taken this opportunity and initiated cleanliness drive at the home. The activity was started from the Home. During this activity students and Faculty have cleaned their house. They also removed the garbage and unwanted things from their homes. Faculties & students have participated in this event at their homes.

Day 4: Quiz Competition on Cleanliness & Hygiene

As part of Swachhta Pakhwada 1st- 15th September 2023, 4th day programme MIET organized a quiz competition on the topic "Cleanliness & Hygiene" on 4.9.2023. Ms. Monika & Ms. Neha Bakshi prepared the quiz questions on the above theme and conducted the competition. The questions in the competition were set in order to educate the participants on the important current affairs, issues and facts related to Swachha Bharat. Coordinators motivated them to learn facts on health and hygiene related program, which is highlighted in a scientific way in the quiz.

Day 5 : Swachhata Action Day: Checking of water storage, Weeding out/ recording of the old files record

MIET conduct Awareness drive on “Swachhata Action Day: Checking of water storage, Weeding out/ recording of the old files record” in MIET campus on 05-09-2023. The MIET faculty & 4th year Students has taken this opportunity and initiated cleanliness drive Checking of water storage, Weeding out/ recording of the old files record in the college campus. During this activity volunteers have Checking of water storage in college campus, Weeding out/ recording of the old files records from the storeroom. The drive was concluded at auditorium of our college. Volunteers & students have participated in this event.

Day 6: Slogan Making Competition

Give Words to your Thoughts.” Parivartan, the MIET organized a slogan writing competition on 6th September at 2:30 pm. Students of Ist year section A participated in the following event. The topic for the slogan writing was 'Cleanliness and Hygiene'. The students were asked to write them in their preferred language, either in Hindi or in English. There was an enthusiastic participation among the students who work on their slogans diligently.

A good slogan helps to attract the attention of the people about the topic and enable to produce information to potential audience all across the world. The motive of the event was to make young minds know the importance of cleanliness and hygiene and helping them turn their views into

creative writing.

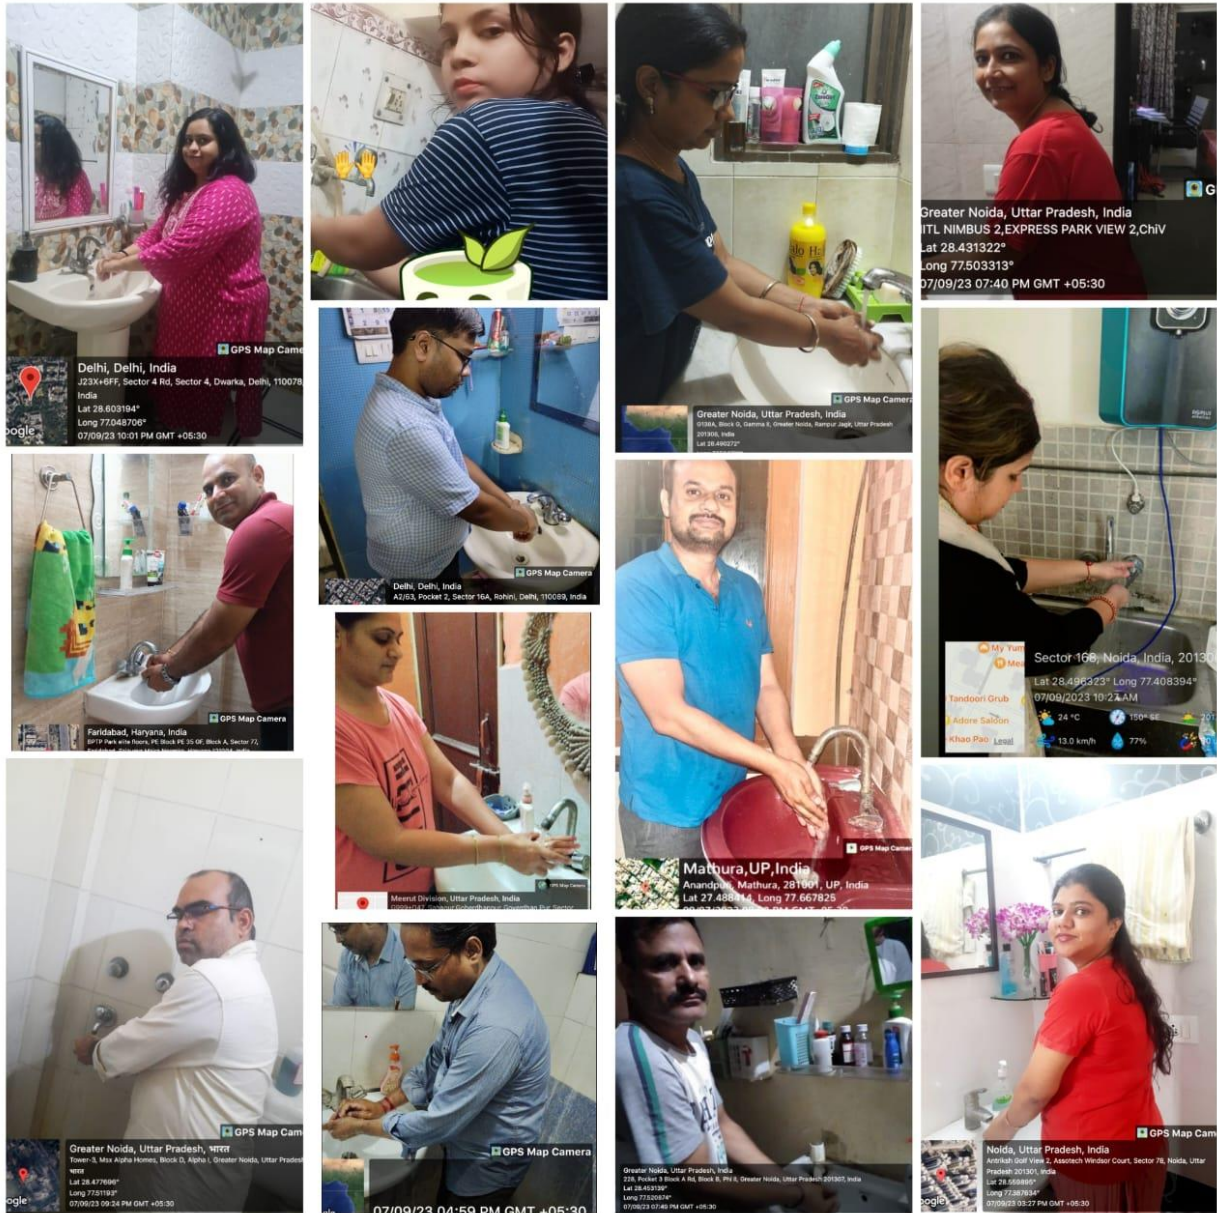

Our volunteers tried to highlight the importance of cleanliness and hygiene. They have tried to spread awareness through their work and have encouraged the people for cleanliness and hygiene to make a change in the society. This overwhelming participation of the volunteers will create a powerful impact in the society and would enable us to reach a step closure by enlightening people about their rights and help make a change in the society.

Day 7: Hand Wash Day

MIET organized a hand wash day on 7th September 2023. Hand wash Day is a day dedicated to celebrating and advocating for hand washing with soap as an effective, affordable way to prevent diseases. It is an opportunity to design, test, and replicate creative ways to encourage people to wash their hands with soap at critical times. On this day communities, faculty and students spread the awareness about hand hygiene, build hand washing infrastructure, and demonstrate the value of hand washing with soap. Hand washing Day calls for strengthening the institutional and policy environment to drive progress for hand hygiene, ensuring the availability of hand hygiene facilities

and supplies and drawing on evidence-based behaviour change approaches to encourage sustained hand hygiene practices. Strengthen and empower communities of actors in health care to accelerate action to improve hand hygiene and infection prevention and control at point of care.

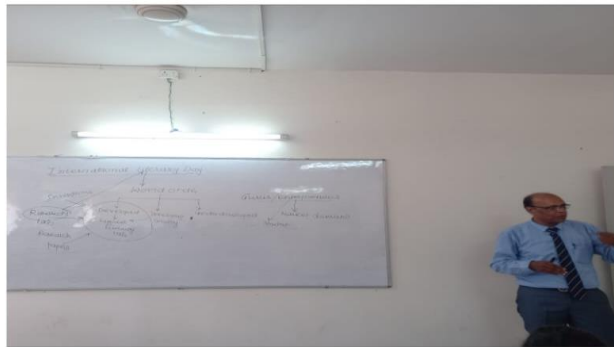

Day 8: International Literacy Day

MIET organized an awareness program on “World literary Day” under the guidance of Prof. Dr. Chetan Khemraj on 8 September 2023 under the theme '**Promoting literacy for a world in transition: Building the foundation for sustainable and peaceful societies**'. The aim of the session was to aware and educate the students about the importance of literacy as a matter of dignity and human rights, and to advance the literacy agenda towards a more literate and sustainable society.

He told the students International Literacy Day 2023 will be an opportunity to join efforts to accelerate progress towards the achievement of the Sustainable Development Goal 4 on education and lifelong learning and to reflect on the role of literacy in building more inclusive, peaceful, just, and sustainable societies. In doing so, it will embrace the reciprocal relations between literacy and other areas of development: Literacy is central to the creation of such societies, while progress in other areas of development contributes to generating interest and motivation of people to acquire, use, and further develop their literacy and numeracy skills.

Under this theme, International Literacy Day 2023 will be celebrated at the global, regional, country, and local levels across the world. All the faculty and students were present in this event.

Day 9 : Personal Hygiene Day

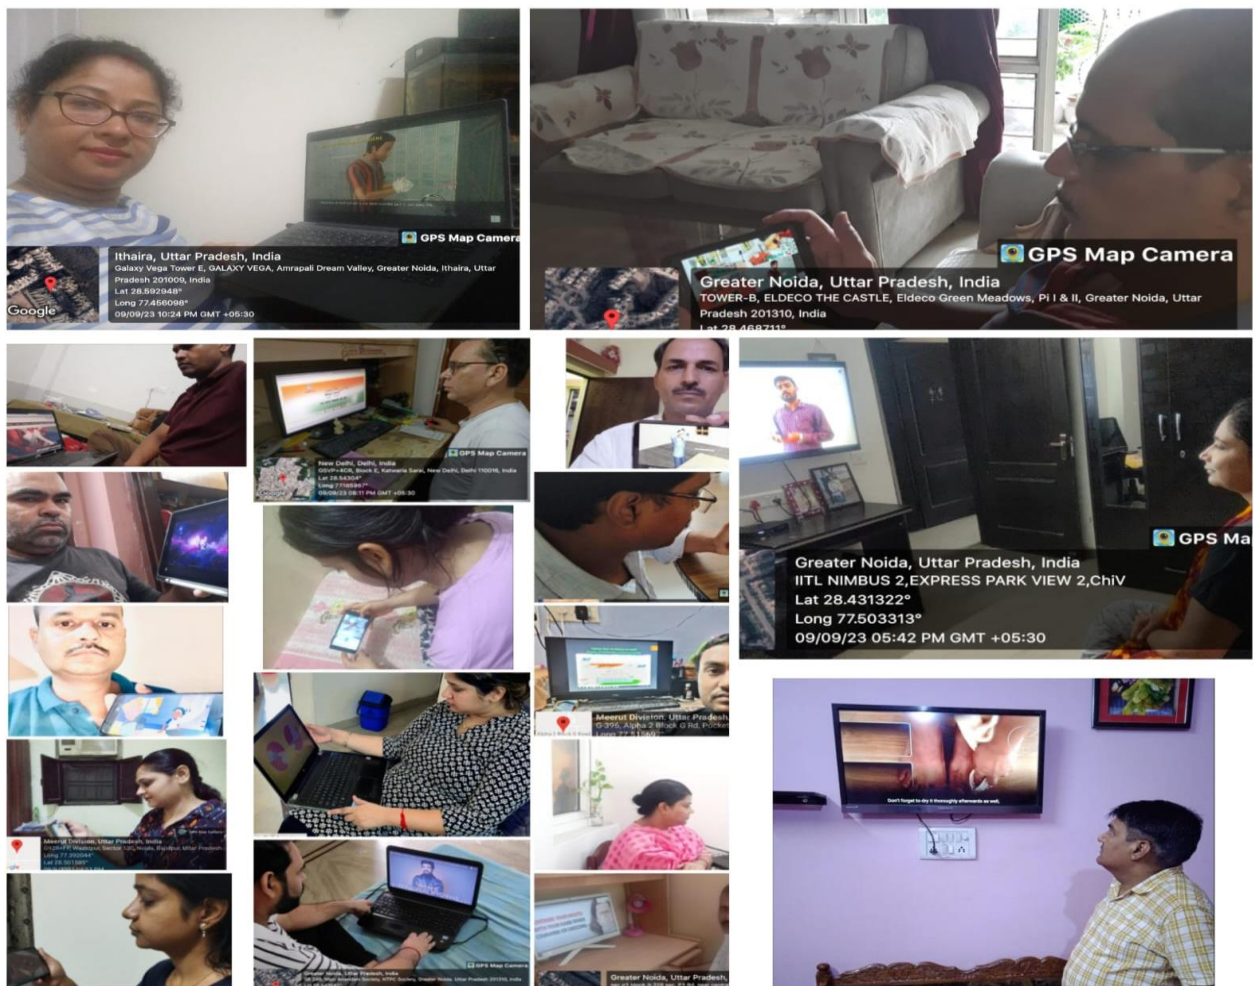

MIET organized an awareness program on "Personal Hygiene Day" on 09-09-2023.

Personal hygiene being the action /habit /practice of keeping oneself clean major role to promote healthy living important to develop the sense of hygiene individual so that it influences his/her habits as well as life style imparts knowledge, but also plays a pivotal role in the development of habits overall personality of the students. During the academic session 2023-2024, our college has

taken up Comprehensive Health Programme among the students & staff. All the faculty and students were advised to watch movies/videos on personal hygiene.

The following aspects were explained in detail during the session:

- Frequency & proper method of brushing
- Necessity of cleaning the tongue
- Eating habits for maintaining good oral health
- Food that can cause cavities & tooth decay
- Necessity of visiting a dentist for monitoring the oral health & hygiene

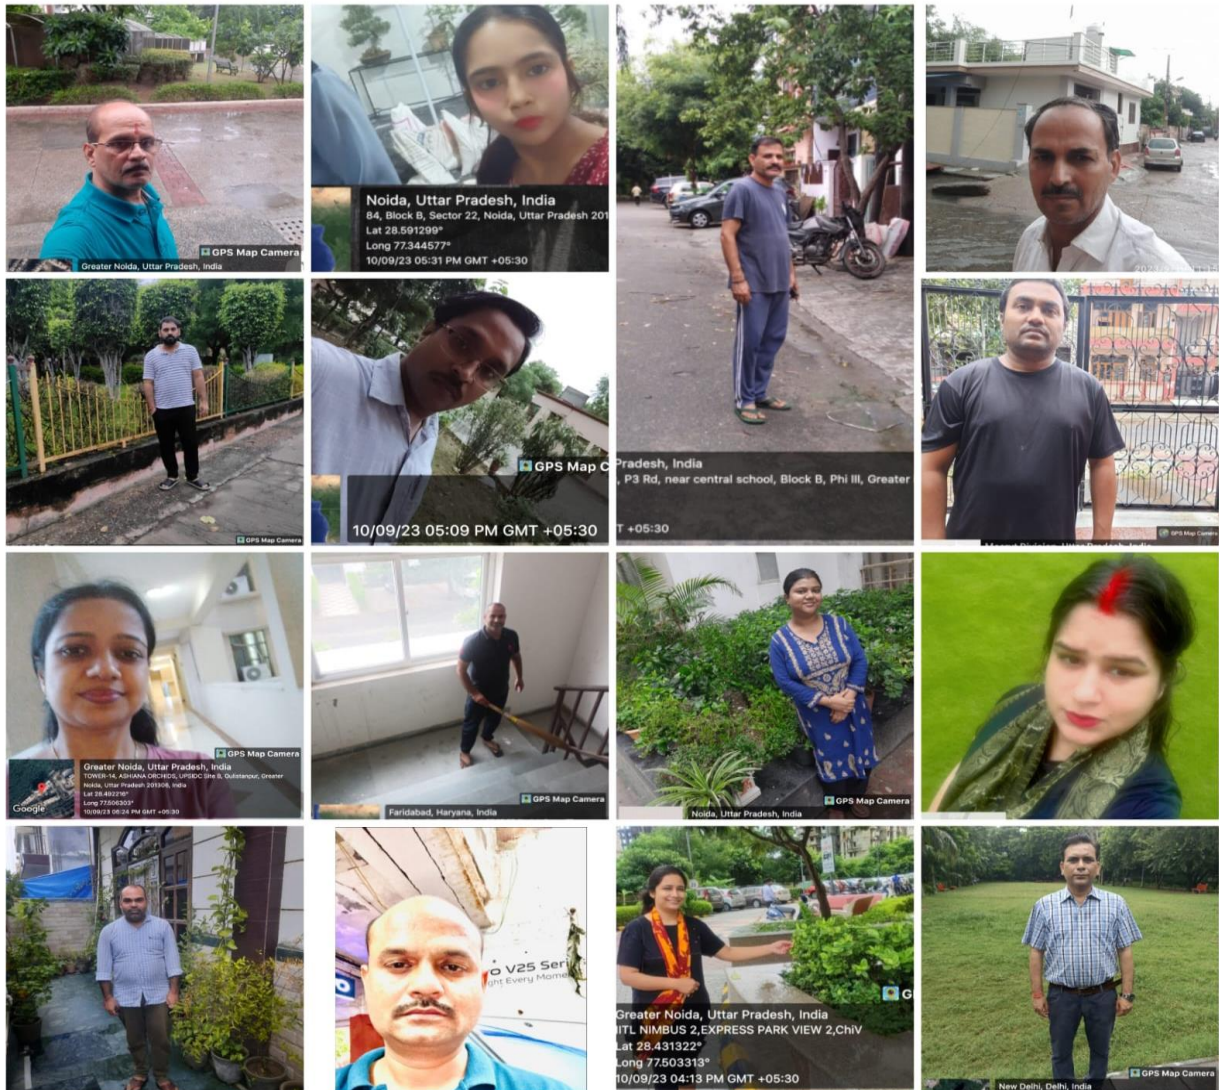

Day 10 : Surrounding Cleanliness (at Home)

MIET conduct Awareness drive on “Surrounding cleanliness” 10th day program on 10-09-2023. Clean environment is an indicator of progress of human being and with the motto of clean

environment Government of India has initiated ‘Swaccha Bharat Abhiyan’. The MIET faculty & Students has taken this opportunity and initiated cleanliness drive at the home. The activity was started from the Home. During this activity students and Faculty have cleaned their house and surrounding. They also removed the garbage and unwanted things from their surroundings. Faculties & students have participated in this event at their homes.

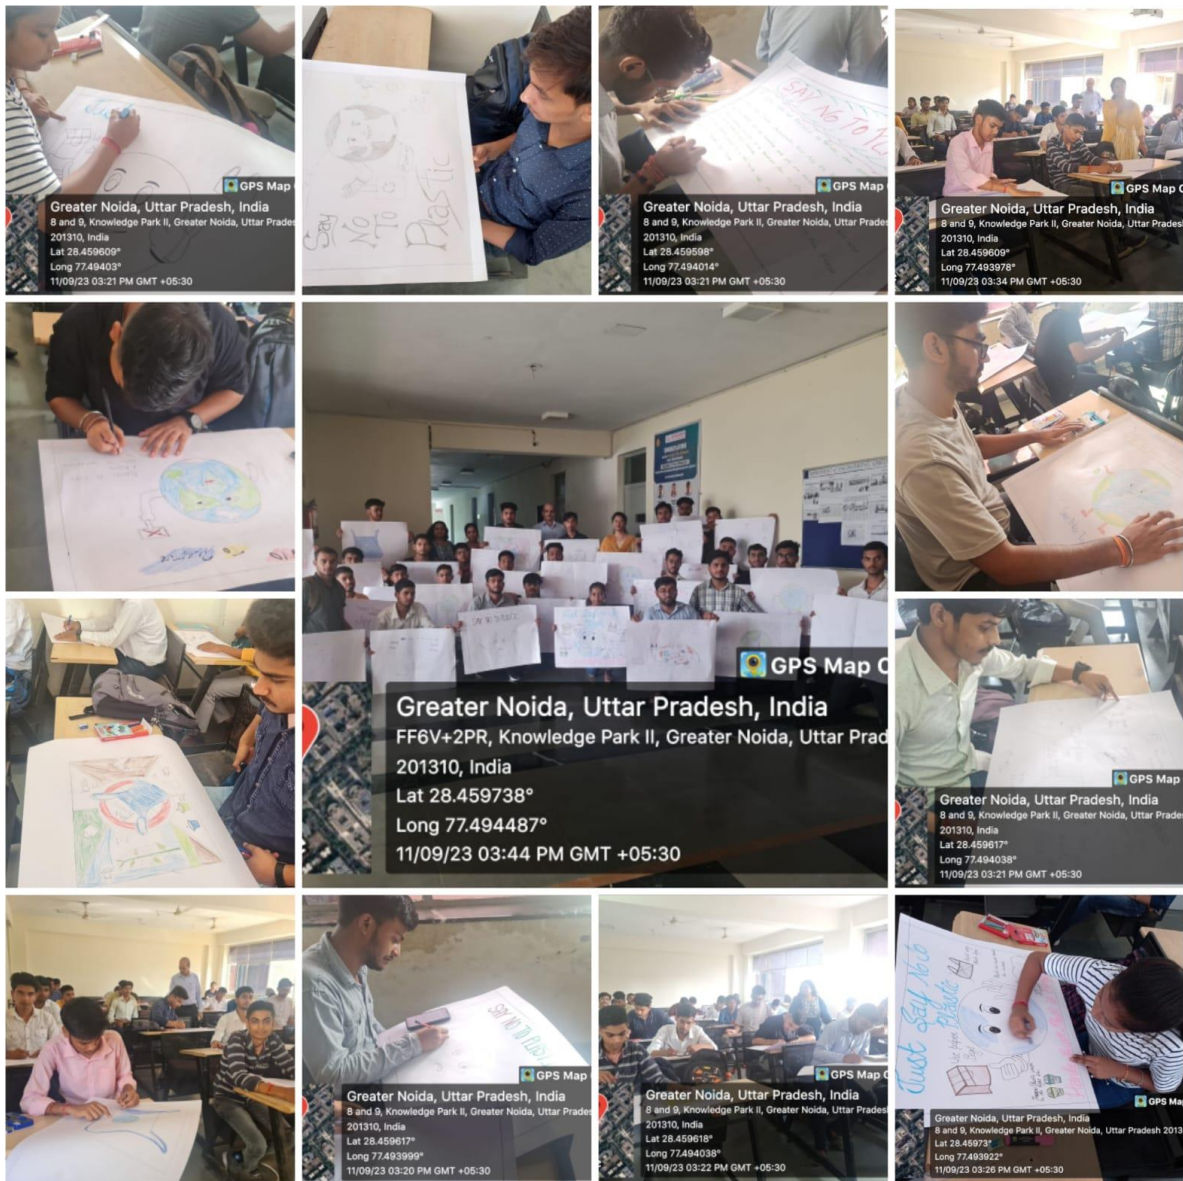

During this activity volunteers have cleaned the approach road from Home Entrance and chopped the unwanted bushes along road side, garden. They also removed the grass and weeds besides the divider and picked up the all plastic garbage from both sides of road.

Day 11: Poster Making on “ Say no to Plastic”

MIET organized a poster making competition on 11th September at 2:30 pm. Students of Ist year

section B participated in the following event. The topic for the poster writing was “**Say no to Plastic**”. With the objective of spreading the ill effects of plastic and in line with the Government of India policy an intra department poster competition and reusing plastic competition was conducted in 11.09.2023. The participation from the students was at a high level. The students presented number of Innovative working models explaining its uses to reduce the usage of plastic. The competition was aimed to motivate the students to come forward & make poster & discuss harmful effects of using plastic.

Day 12: Electronic Banner Creation

MIET organized a Electronic Banner Creation competition on 12th September at 2:30 pm. Students

of 1st year section C participated in the following event. The topic for the banner creation was 'Cleanliness and Hygiene'. The students were asked to create banner them in their preferred language, either in Hindi or in English. There was an enthusiastic participation among the students who work on their banner creation diligently.

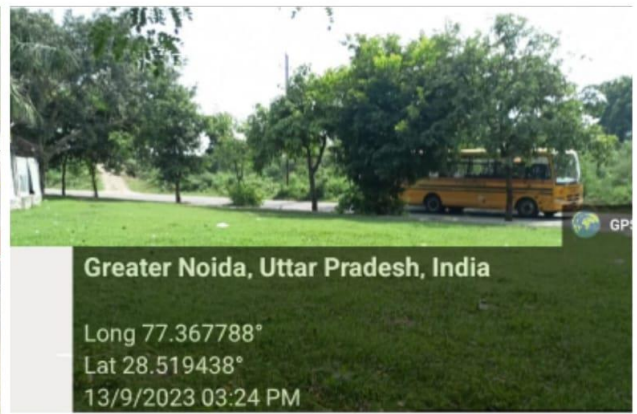

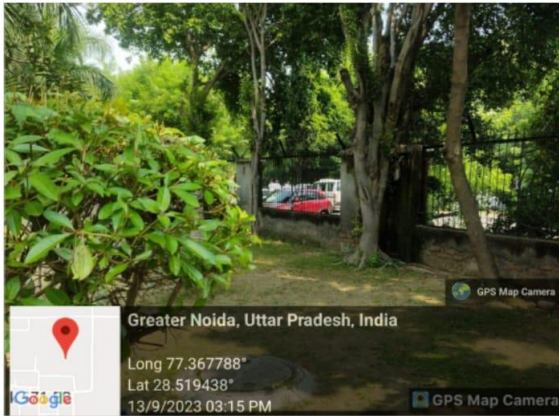

Banner was made with creative and innovative approach. Contents and visuals are simple. Our viewers only glance at your banner for probably a second, so it should be easily understandable. A good banner helps to attract the attention of the people about the topic and enable to produce information to potential audience all across the world. The motive of the event was to make young minds know the importance of cleanliness and hygiene and helping them turn their views into creativity.

Our volunteers tried to highlight the importance of cleanliness and hygiene. They have tried to spread awareness through their work and have encouraged the people for cleanliness and hygiene to make a change in the society. This overwhelming participation of the volunteers will create a powerful impact in the society and would enable us to reach a step closure by enlightening people about their rights and help make a change in the society. Coordinators motivated them to learn facts on health and hygiene related program, which is highlighted in a scientific way.

Day 13: Visit to Greater Noida

Under Swachhata Pakhwara, students visited few places of Greater Noida to check and measure cleanliness.

Day 14: Awareness Drive

MIET conduct Awareness Drive about “Hygiene & Sanitation” on 14th September 2023. “Swachh Aadat Swachh Bharat”. Keeping in mind the above statements. Manglmay Institute of Engineering and Technology, Greater Noida organized an Awareness drive on “Hygiene & Sanitation” held at college Campus. The faculty members and college students were present in this program. HOD MIET took a session on the importance of hygiene practices and explained the way one can keep himself/ herself healthy and free from diseases. He told the students that The main aim of the social and health assessment is to identify the unsafe hygiene behaviors practiced by inhabitants, which

means determining which hygiene practices are being used in everyday life settings

During the session, discussed the following points:

Waste Management

Healthy Diet

Personal Hygiene

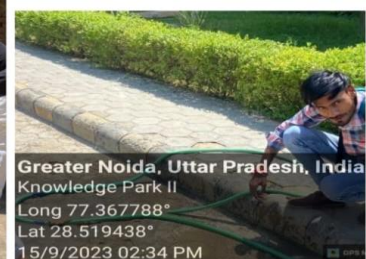

Cleaning of Surroundings

By providing education on hygiene practices individuals gain knowledge about disease prevention, proper sanitation, and personal care routines. Awareness of it empowers people to take proactive steps to protect their health. Hygiene and sanitation behaviours at the household and community levels, including proper disposal of human waste, hand-washing practices, safe storage of water at the household level, and the introduction of dish-drying racks. handling of drinking water, disposal of waste water, disposal of human excreta, disposal of garbage and cow dung, home sanitation and food hygiene, and personal hygiene relate to interventions at the household level while the seventh relates to sanitation in. The event saw enthusiastic participation from the students as creative and informative videos started pouring in.

Day 15 : All kinds of waste material should be removed from the premises

MIET conduct a drive on “**All kinds of waste material should be removed from the premises**” in MIET campus on 15-09-2023. The MIET faculty & 1st year, section D & 4th year Students has taken this opportunity and initiated cleanliness drive Checking of water storage, Weeding out/ recording of the old files record, weeding out grass, remove plastic waste from the college campus and dispose it . Waste disposal means removing, discarding, recycling or destroying unwanted materials called waste that is produced from agriculture, domestic usage or industrial products. Following the correct methods for waste disposal will ensure lesser pollution and hazards for the environment. During this activity all faculty members & students were present. The drive was concluded at the reception area of Block A of our college where A waste management plan outlines how large amounts of waste created by a business will be managed and dealt with, including estimates of waste type, volume and management method. Reducing, reusing and recycling waste helps save landfill space by keeping useful materials out. The amount of energy and natural resources needed to produce or collect the raw materials and manufacture the product are reduced.
